Work Experience

Sales Manager

- Al-Wakel Al-Shamel for Communications — Saudi Arabia (2025 – Present)

Official distributor of the Chinese brand LDNIO in KSA, and owner of iPLUS, OVAST, and KANT brands across 5 branches and a kingdom-wide distribution network.

- Key Responsibilities:

Leading sales operations across 5 main branches, managing sales representatives, and monitoring performance against daily, weekly, and monthly targets.

Overseeing customer activation processes, collections, and corporate accounts management.

Developing monthly sales plans and promotions in coordination with the procurement department and senior management.

Conducting branch managers' meetings and identifying training needs for each location.

- Key Achievements:

Customer Value Segmentation (CVS): Designed a statistically weighted 7-axis CVS system to categorize branch clients (A/B/C/D), optimizing targeted marketing and collections.

Customer Win-Back Program: Successfully re-engaged 201 inactive clients, generating over SAR 470,000 in recovered sales.

Inventory Optimization: Identified 392 stagnant items across branches and utilized central warehouse availability, enabling sales with zero new purchasing costs.

National Day Campaign: Created layered targeting models (Protect, Restore, Acquire), established branch quota policies to prevent stockouts, and introduced a management approval framework.

Procurement Proposal: Analyzed demand shifts during stockouts and defined a strategic framework for role distribution among brands.

Monitoring Tools: Established executive dashboards, daily sales reporting protocols, and synchronized weekly branch evaluations.
